Dear Sir:

WCSR would like very much to pay WYBC a visit. We have discussed possible dates and think that Friday April 9th would be best for us if that is convenient for you.

There are many on the station who would like to come and we were wondering how many people you would prefer us to bring. We would also appreciate your telling us if there are any possibilities of our getting rides to or from New Haven and where we can stay in New Haven on Friday night.

We really are looking forward to seeing your station as we know it is an excellent one. Hoping to hear from you soon concerning our final plans.

Cordially,

Camilla Davis
